LTS Licencing Fee Update

2021 March 29

Throughout the past year, the COVID-19 pandemic has continued to impact the taxi and limousine industry. Recognizing the financial hardship for industry participants, Administration presented a report to City Council on March 15, 2021, requesting reductions to licence renewal fees until May 14, 2022.

City Council approved the following:

- Waive taxi and limousine driver's licence renewal fees (\$141 → \$0)
- Reduce taxi plate licence renewal fee by 50 per cent (\$912 → \$456)
- Reduce limousine plate licence renewal fee by 50 per cent (\$731 → \$365.50)

As a reminder, drivers are still required to renew their taxi and/or limousine driver's licence; this includes completing the Calgary Police Service Information Check. Please note, taxi plates are renewed in June and limousine plates in September.
