

Sail Canada and Checklick

Notice: To remain certified with Sail Canada, individuals will need to register for an account through the Sail Canada Checklick system. Use of this platform will be subject to Sail Canada's [Terms of Service](#) and [Privacy Policy](#). Once a City of Calgary recreation course has been completed, City of Calgary Recreation and Social Program Staff will disclose the completion of that course to Sail Canada for the purpose of providing certification information. Registration with Checklick is optional, however it is required to allow for the tracking of course completion with the national program.

Please mark the box with a X if you agree to your course completion status being shared with Sail Canada by The City of Calgary.
