

78 Avenue LRT Bridge – Concrete Deck Pour & Manhole Tie-in

Notice Date: September 18, 2026

As part of the construction of the 78 Avenue LRT Bridge for the Green Line LRT – SE Project, crews will be conducting a deck pour and manhole tie-in. This will require a **full closure of 78 Ave S.E. between 27 St S.E. and Ogden Dale Road S.E.** from 7:00PM on September 24 – October 2.

What	Where	When	Impacts
Pouring of concrete bridge deck and manhole tie-in for 78 Ave S.E. LRT bridge.	78 Avenue S.E. between 27 St S.E. and Ogden Dale Road S.E.	September 24 (7:00PM) – October 2, 2026	• No vehicle, pedestrian, or cyclist access through underpass • Noise & dust • Construction vehicles • Temporary parking restrictions on 27 St S.E.

Green Line LRT

What is the work?

As part of the next phase of construction of the 78 Avenue LRT Bridge, crews will complete the bridge deck pour and manhole tie-in, which requires the closure of 78 Ave S.E. between 27 St S.E. and Ogden Dale Road S.E. from September 24 - October 2, 2026. This work involves placing concrete to form the bridge deck surface using concrete pumps and supporting construction equipment, as well as completing a manhole tie-in within the project area. Local access to residences on 78 Ave S.E. and 27 St S.E. will be maintained via Ogden Road S.E.

Businesses are reminded that 78 Ave S.E. is not a designated truck route. During the closure, commercial vehicles should continue to use approved truck routes and plan deliveries accordingly.

What to expect during construction:

- No vehicle, pedestrian, or cyclist access on 78 Ave S.E. between Ogden Dale Road S.E. and 27 St S.E. and through the underpass
- Noise and vibration during work hours
- Construction vehicles and equipment
- While mitigations will be in place, there may be dust, soil, and debris in the area
- No parking on the east side of 27 St S.E. in front of house numbers 7636, 7638, 7642, and 7644.

Note that weather conditions may affect the dates of this closure. Please refer to [Calgary.ca/GreenLine/CurrentConstruction](https://calgary.ca/GreenLine/CurrentConstruction) for the latest updates related to this closure.

About Green Line LRT – SE Project

The SE Segment, from Shepard in the southeast to the Event Centre/Grand Central Station in the Beltline, includes the first 16 kilometres of an overall 46-kilometre vision, before connecting with the future Downtown Segment and into the existing Red and Blue LRT Lines. Including the Downtown Segment, Phase 1 includes 17 kilometres of twin-track LRT infrastructure, 11 new stations, a maintenance and storage facility, three Park and Ride lots, and 28 new modern low-floor light rail vehicles.
