

Phase Two: Bridgeland Main Street Project Construction Notice

June 10, 2024

Bridgeland Main Street: Phase Two Construction Update

This construction season as part of the Bridgeland Main Street project, you can expect to see work occurring in multiple street blocks at a time, in stages along 1 Avenue N.E. from 11 Street to 7A Street N.E. Crews are finishing construction on 1 Avenue between 9A Street to 11 Street N.E. and we are targeting completion by the end of June 2024.

Upcoming work

- **During the week of June 23, the second stage of construction will begin on the south side of 1 Avenue N.E. between 8A to 9A Streets N.E., and work is expected to last approximately 2 months.**
- Minor sidewalk reconstruction along 2 Avenue at intersections between 6 Street to 10 Street N.E. **will continue concurrently** and last throughout the year which is expected to have minimal effect to traffic access through the community.
- **The included maps show the work areas, detour plans, and available nearby street parking for 1 Avenue N.E.**
- Please note, construction is variable, and the schedule is subject to change depending on factors such as complexity, weather, supply chain, and access. We appreciate your patience while crews are working in your area.

WHAT YOU CAN EXPECT DURING CONSTRUCTION:

The construction work hours for the Main Streets Program are **Monday to Saturday from 7a.m. to 10p.m.**, and construction activity on weekends, weekdays, and overnight as required. Visit [Calgary.ca/bridgelandmainstreet](https://calgary.ca/bridgelandmainstreet) to find ongoing updates on construction activities and detour information.
