Reminders

- Playfields season is coming to an end on October 15, 2026. Please ensure all netting, equipment, and portable toilets have been removed from playfield sites once your bookings are completed.
- Once your playfield season is over please ensure all of your netting has been removed from the fixed posts from all of your D and E playfield sites. Netting is to not remain on goal posts and is to be removed after each booking as playfields are multi-user group fields and this is a rule and regulation of playfields. Please also ensure all equipment is removed from a playfield site
- Please proactively notify us (Facility Bookings and Playfield Coordinators) of any updates to your organizations information including a change in booking rep(s), email, address change, and all contact information on your corporate account. This is to ensure all documents and renewals are sent to the correct email address, as well as any communication that is required with your organization/ group
- Reminder that to qualify for playfield renewal rights, you must have a booking of: a minimum of 5 dates at one playfield for the same time period, on the same day of the week, at the same location for at least 5 consecutive weeks. (Example: minimum of 5 bookings at one playfield, Wednesday evenings from 7:00 p.m. – 8:00 p.m. for 5 consecutive weeks).
