

How to Dress for the Weather Guide

Outdoor play is a great way to support healthy growth and development. Opening the doors to outdoor play in all kinds of weather provides children and adults with opportunities to spark their curiosity, leading to wonder, exploration and learning. When children have the right clothing for the season it contributes to them having positive, rich outdoor play experiences that just can't happen indoors. Get outside, be curious, let children lead and have fun!

Tips for Rain and Wet Conditions

Tips for Cold

Dress in layers:

- **Base layer:** closest to your skin, fits snugly and helps wick moisture away. Look for wool or polyester fabrics.
- **Mid layer:** the insulating layer that keeps you warm. Stick to wool or fleece.
- **Outer layer:** protects you from the elements like wind, rain and snow. This layer should be waterproof with enough room for layers underneath.
