## FOR PLANNING PURPOSES ONLY REPORT COMPLETED IN FIMS

## **CPIP Year End Report Siim ohksin: Wahkotiwin Programs**

| Organia | zation Name:   |
|---------|--|
| Prograi | m Name:  |
| Report  | ing Period: January 1, 2020 to December 31, 2020   |
|         | Crime Prevention Level   |
| 1.      | Crime Prevention Level: (Should match current Theory of Change.)   |
|         | Early Identification   |
|         | Prevention of Re-offending   |
|         | Siim ohksin: Wahkotiwin  |
|         | Program Activities   |
| 2.      | Describe program activities implemented in this time period. This should match the 'strategy' section of     |
|         | current Theory of Change. If actual program activities are different than planned activities as described in |
|         | the Theory of Change, explain why.   |
|         |  |
|         |  |
|         | Clients, Contacts, Volunteers, Volunteer Hours   |
| 3.      | Report the number of unique individual clients or participants over the past year where a client file was    |
| J.      | opened (number)  |
|         | openeal (name)   |
|         | •Individuals should only be counted once per program.  |
|         | •Do not include 'contacts' because they are counted separately   |
|         |  |
| 4.      | Please provide any available information the program collects on participant demographics (e.g. age,         |
|         | gender, ethnicity, Cultural group (for example, Metis, Siksika etc.)   |
|         |  |
|         |  |
|         |  |
| 5.      | Program recruitment and completion information:  |
| 3.      | Trogram recruitment and completion information.  |
|         | Number of individual clients/participants who began the program in this time period:                         |
|         | Number of individual clients/participants who completed the program in this time period:                     |
|         | Percentage of individual clients/participants who complete the program [calculated by FIMS]                  |
|         |  |
|         | If you have additional information on program recruitment and completion, share it here:                     |
|         |  |
|         |  |
|         | <del></del>  |
| 6.      | If the program is experiencing challenges with recruitment and retention, describe efforts to address        |
| O.      | them. If the program is not experiencing challenges with recruitment and retention, write "not               |
|         | applicable".   |
|         | ••   |
|         |  |
|         |  |

## FOR PLANNING PURPOSES ONLY REPORT COMPLETED IN FIMS

| 7.  | Report the number of contacts. A contact is a service where no client file is opened. It includes but is not limited to: telephone inquiries, drop-ins, one-time assistance with forms or referrals, participation in one-time information or education sessions, participation in community events, etc.  |
|-----|--|
|     | • Do not include the number of times a worker meets with a client from the 'individual clients/participants served' category.  |
|     | Do not include the number of web hits received.  |
|     | Do not include the number of newsletters or brochures distributed.   |
| 8.  | Comments regarding number of contacts.   |
|     |  |
|     |  |
|     | In Production of the Association of the Investigation of the Investigati |
| 9.  | Indicate the number of volunteers that provided support that directly benefited your program (e.g., volunteers who provide administrative support, direct program support, governance, fundraising, etc.) (number)   |
|     |  |
|     | Volunteers should be counted only once.  If you wrom provide support that directly benefits more than one CRIR funded program, places.   |
|     | <ul> <li>If volunteers provide support that directly benefits more than one CPIP funded program, please<br/>count them in only one of the program's Year End Reports.</li> </ul>   |
| 10. | Comments regarding number of volunteers.   |
|     |  |
|     |  |
| 11. | Report the total number of hours that all of your volunteers have worked to support your program during this 12-month reporting period.  |
|     | (number)   |
| 12. | Comments regarding number of volunteer hours.  |
|     |  |
|     |  |
|     | Continuous Improvement   |
| 13. | Drawing on formal and informal data/information collected, what is working well with the program and why? How will the program sustain these successes?  |
|     |  |
|     |  |
|     |  |
| 14. | Drawing on formal and informal data/information collected, what isn't working well with the program and why? How will these challenges be addressed going forward?   |
