

BULLETIN # 005
2026 LICENSING FEE CHANGES

2025 DECEMBER

[The Vehicle-for-Hire Transitional Strategy](#) was approved by City Council on June 18, 2024. The transitional strategy outlines program improvements to be actioned by the Vehicle for Hire team. As part of this, The City of Calgary retained an external party to evaluate how recent industry, and regulatory developments have changed the way services are delivered and to assess how those changes are impacting costs within the Vehicle for Hire program (VFH).

The purpose of the review was to develop an updated fee schedule that equitably allocates costs, while ensuring the financial sustainability of the VFH program.

As a result, Vehicle for Hire is pleased to announce the reduction of many fees for Vehicle for Hire effective January 1, 2026. Calgary City Council has approved the below fee schedule for the Vehicle for Hire Bylaw 20M2021.
