

# What's Happening in 2018?

Our work zone has expanded past Memorial Drive up to 5 Avenue N.W. to accommodate the construction of pedestrian and cyclist improvements, and to add an additional northbound lane up to 5 Avenue N.W.

## Here's what you can expect this year:

- Lanes will be narrowed on Crowchild Trail, north of Memorial Drive to make room for the addition of one northbound lane.
- Work on the new northbound Crowchild Trail ramp to eastbound Memorial Drive will begin.
- New pathway along east side of Crowchild Trail from Kensington Road to 21 Street N.W. will be constructed.
- New signalized pedestrian crossing at Parkdale Boulevard and Kensington Road will be installed.
- New pathway along the south side of Kensington Road from Crowchild Trail to Parkdale Boulevard will be constructed.
- Bridge work over and south of the Bow River will continue.
