USE OF INFORMATION

All EnerGuide Label data collected by the City of Calgary will be used for the purposes associated with the operation of the Home Energy Label Program. Some, or all, of the EnerGuide Label data will be used to inform research and analysis on home energy and greenhouse gas emission performance.

DISCLOSURE OF INFORMATION

The collection, processing, analysis, and disclosure of all EnerGuide Labels submitted to the Program is performed by the City of Calgary. The EnerGuide Label data (non-inclusive of the Energy Advisor name/company name) will be disclosed publicly on Open Calgary, and maybe be disclosed using other mechanisms such as online maps, written reports and any other mechanism deemed necessary by the City of Calgary (“Public Disclosure”). EnerGuide Label data will only be disclosed for the purposes associated with the Program and for no other purpose.

PROTECTION OF INFORMATION

Only authorized employees and contractors of the City that require access to your EnerGuide Label data in connection with your participation in the Program will have access to such information. The City hereby agrees to protect all information obtained by their employees and contractors in accordance with these Terms.

REVOCAION OF PUBLIC DISCLOSURE CONSENT

You may revoke your consent to Public Disclosure of your EnerGuide Label at any time by writing to energylabel@calgary.ca. Within ten business days of revoking your consent to Public Disclosure, the City will remove your EnerGuide Label from all public datasets.

TERM AND TERMINATION

The term of your participation in the Program will last until you give notice to the City of your desire to terminate your participation in the Program or the City provides you notice that your participation in the Program is being terminated. Upon receipt of notice to terminate your participation in the Program or upon delivery of notice that the City is terminating your participation in the Program, no new non-public information will be collected, used, or disclosed by the City.

ENUREMENT

Your consent to these Terms will continue unless you notify energylabel@calgary.ca in writing that you wish to withdraw fully from participation in the Program.

CONTACT

All questions, feedback, comments, requests, and other communications relating to these Terms, participation in the Program and use of EnerGuide Label data should be directed to energylabel@calgary.ca.

FOIP STATEMENT

EnerGuide Labels are being collected under the authority of section 33(c) of the FOIP Act and will be used by the City of Calgary Climate and Environment business unit to build a publicly accessible, web-based database and mapping tool for the City of Calgary's Home Energy Label Program. All information collected by the City of Calgary is protected by the provisions of the FOIP Act. You may direct questions about the collection, use, or disclosure of EnerGuide Labels by the City of Calgary in relation to this program by calling the Corporate Environmental Specialist, Climate and Environment at 403-268-8925.
