

## **Green Buildings Priority Stream**

### **Terms and Conditions**

Last updated: September 23, 2025

---

### **General Terms**

1. The City of Calgary is committed to fulfilling advertised process incentives available through this Program to the best of the organization's abilities. However, The City cannot guarantee that the project will:
  - (a) be reviewed and approved in line with any predetermined review process timelines, or
  - (b) materially benefit from the advertised process incentives.
2. Acceptance into the Green Buildings Priority Stream Program:
  - (a) does not constitute approval of the project, nor does it guarantee approval of any permits associated with the project.
  - (b) does not relieve the owner or the owner's authorized agent from full compliance with the requirements of any federal, provincial or other municipal legislation, or the terms and conditions of any easement, covenant, building scheme or agreement affecting the building or land.
3. The process incentives offered are dependent on the applicant's commitment to energy performance that exceeds regulatory requirements. The applicant acknowledges that the approving authority may place conditions on the associated permit requiring final certification achieved or reporting on post construction energy performance in recognition of this commitment.

### **Collection and Use of Information**

Any personal information that may be collected through the Green Building Priority Stream Program is collected under the authority of Section 5 of the Calgary Safety Codes Permit Bylaw 39M2018, as amended or replaced, as well as Section 4(c) of the Alberta Protection of Privacy Act (POPA), for the purpose of administering and managing the Green Building Priority Stream Program. This information may be input into an automated system to generate content or make decisions, recommendations, or predictions. Information about your project will be available to the public as authorized by the POPA.

If you have any questions about this collection, please contact the Program Coordinator at [GreenBuildings@calgary.ca](mailto:GreenBuildings@calgary.ca) or (403) 826-0454.

### **Consent to Public Disclosure of Project Information**

1. An ancillary objective of this Program is to further collective knowledge of energy efficient buildings, related construction practices and sharing successful projects examples with Calgarians and beyond.
2. As a condition of participation in this Program, you agree that you will, upon completion of your project, provide a project summary to The City to be published on The City's program website and other communication platforms deemed appropriate by The City. The information in the project summary should not include any personal information, and may include, but is not limited to:
  - Project developer or builder
  - Design Team
  - Greenhouse Gas Emissions
  - Project costs
  - Cost of energy conservation measures
  - Modelled energy use
  - Other project specific sustainability measures.

### **Term**

Your consent to these Terms will continue unless you notify us in writing that you wish to withdraw from participation in the Program. You may only withdraw from the Program prior to the approval of any permit that benefitted from the process incentives provided by the Program.

The City may, upon two weeks' notice in writing, terminate your participation in the Program at any time.

Upon your withdrawal from participation or The City's termination of your participation, you will no longer be entitled to any process incentives provided by the Program and your application will be reviewed in accordance with The City's standard procedures and all legislative requirements.

### **Contact**

All questions, feedback, comments, requests, and other communication relating to these Terms, participation in the program and the use of Project Information should be directed to [greenbuildings@calgary.ca](mailto:greenbuildings@calgary.ca).
