

## 2025 STANDARD SPECIFICATIONS FOR SEWER AND WATERWORKS CONSTRUCTION

Please be advised that the City of Calgary's Standard Specifications Sewer Construction and Standard Specifications Waterworks Construction have been updated.

The documents are available online at:

<https://www.calgary.ca/pda/pd/planning-and-development-resource-library/publications.html>

or

<https://www.calgary.ca/development/home-building/water-development-specifications.html>

The revised specifications are effective as of January 1, 2025.

For more information, please contact May Cayanan ([may.cayanan@calgary.ca](mailto:may.cayanan@calgary.ca)) or Martin Pritchard ([martin.pritchard@calgary.ca](mailto:martin.pritchard@calgary.ca)).
