

Cross Connection Control SAMS Guide: How to Setup Mobile APP for the first time

This guide outlines how Cross Connection Control Testers can download and set up the Cross Connection Mobile App for the first time.

Getting Started

To install the Mobile App, scan the QR code below, or search for **SAMSCrossConnection** in the App Store (for Apple devices) or the Play Store (for Android devices).

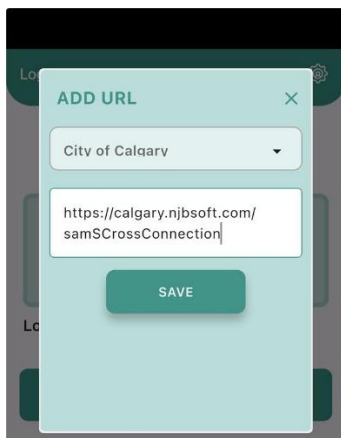

Setup

1. Open the **SAMSCrossConnection** app.
2. Tap the **gear icon** in the top-right corner.
3. Enter the following url into the Add URL field

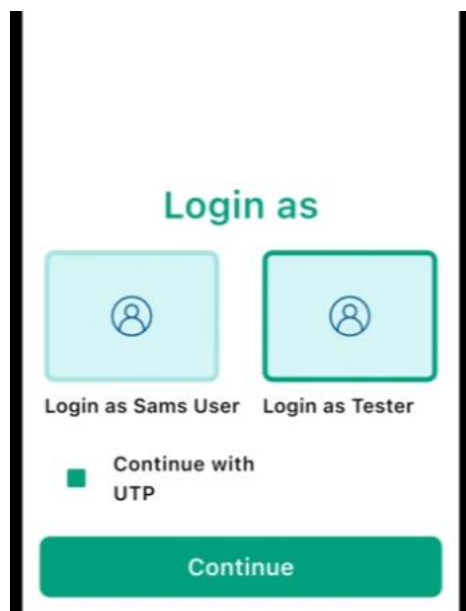

<https://calgary.njbsoft.com/samSCrossConnection>

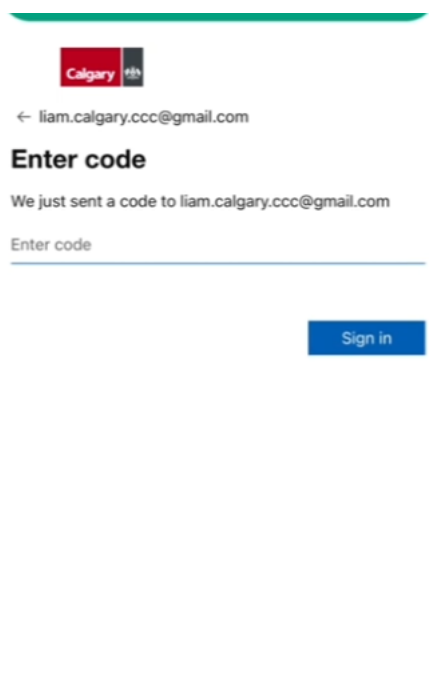

4. Tap **Save**.

5. Tap log in as tester
6. Tap Continue

7. Enter your tester email address
8. Check your email for a verification code.
9. Enter the code into the app

10. Authenticate using the **Microsoft Authenticator** app.

Note: If you have not set up Microsoft Authenticator yet, please visit the [Cross Connections for Testers](#) page and refer to the *How to Log into SAMS* section for setup instructions.
