The undersigned agrees and certifies that:

- 1) The ESC Plan for the construction activity referenced in this Written Notification has been completed and a copy has been provided to the Owner and any other required parties;
- 2) The ESC Plan complies with the *Standard Specifications – ESC*;
- 3) The creation of the ESC plan has been undertaken by a professional with experience in the design and implementation of erosion and sediment control who holds a designation as a Certified Professional in Erosion and Sediment Control (CPESC) or is a Professional Engineer (P.Eng.), Professional Licensee (P.L.(Eng.)), or a Professional Agrolgist (P.Ag.); and
- 4) The information provided in the Written Notices is true to the best of their knowledge.

Signature

Date Authenticated

Permit to Practice/Professional Stamp or Number

Note: You must submit a PRE-CONSTRUCTION MEETING FORM to ESC@calgary.ca with PRE-CONSTRUCTION MEETING REQUEST in the subject line for any sites 0.4ha or larger. Provide at least five business days notices when setting up or rescheduling pre-construction meetings. Prior to the commencement of construction, the site must have written permission from an Environmental Compliance Specialist.

The personal information on this form is being collected under the authority of The City of Calgary Stormwater Bylaw Section 15(3) and amendments thereto. It will be used for review, approval, and inspection purposes and may be communicated to relevant City Business Units. The name of the applicant and nature of the information will be available to the public. Please send inquiries by mail to the FOIP Program Administrator, Water Services #413, PO Box 2100, Station M, Calgary, Alberta, T2P 2M5 or contact us by phone at 311.
