

While you're here, we need your help to save water.

Due to a broken water feeder main, which has caused a local water shortage, we urgently need your help to make the most of our limited water supply. "Live like a local" and do your part by:

- Only flushing when necessary. "If it's yellow, let it mellow. If it's brown, flush it down."
- Keeping your showers to 3 minutes, and skipping baths.
- Turn off the tap while brushing your teeth or shaving.
- Reusing your towels and linens.
- Skipping daily housekeeping services if you can.
- Taking your laundry home to wash.

Enjoy your stay, and thanks for helping us make every drop count!
