YES. Put these items in your garbage.

Many items can be recycled, composted, reused or dropped off. By using these options, households can reduce their garbage by more than half.

Cleaning and maintenance items

Diapers, personal hygiene and home health waste

Construction materials

Small amounts permitted.

Household goods

Cords, hoses and tanglers

NO. Keep these out.

For everyone's safety, please don't place these items in your black cart. They can injure workers and damage collection trucks.

No household hazardous waste

If an item has a hazard symbol, take it to a Household Hazardous Waste Drop-Off, even when empty. Find locations at **calgary.ca/hhw**.

No automobile waste

Including car parts, tires and batteries.

No oversized items

No unbagged items left outside of the cart

A garbage tag is required for extra bags.

No batteries or battery-powered devices

No items that can be donated, recycled or composted
