

Keep our complex clean

DO

- Place appropriate materials in bins. Follow guidelines on garbage, recycling and food and yard waste bins.
- Break down cardboard and put in recycling.
- Bag your plastic stretchy bags and tie closed before recycling.
- Separate food from packaging before putting food scraps in compost.
- Use approved compostable bags only.

DON'T

- Do not over fill bins.
- No paint, chemicals, aerosols or pressurized tanks.
- No large furniture or bulky items.
- No food scraps in garbage.
